

ok ini adalah percakapan pertama kami di ig, yang minta ig pertama itu aku. aku memintanya saat sedang mabar(main bareng) game sky

21 March 2025

zain: hi 🙋😊(jam 20.30)

zain: heyy (jam 30.51)

rofia: hi (jam 30.54)

zain: how are you 😊

rofia: i'm fine. you?

zain: good

rofia: btw, are you like munder drones? i like that too (aku gak balas dia 20 menit karena cek profel ignya)

zain: WHAAATTT

rofia: yes

zain: really

rofia: i watched it on yt a year ago. yeah. i didn't expect you to like that too

zain: that's awesome

rofia: i'm waiting for info on season 2

zain: hwy ammm where are you from?

rofia: indonesia. you are from palestina right?

zain: yah :>

rofia: 😬 want to discuss the theory of munder drones? if you have time

zain: sure but it's murder drones not munder drones

rofia: sorry sometimes i forgot the title. menurutmu virus pertama kali muncul dimana? sebelum terinfeksi robot pertama di bumi (aslinya ku tulis pake english tapi malas kalau ketik di sini) i mean drone

zain: idk. but it will be from teh human being specifically

rofia: itu benar. sorry, i didn't realize i was using indonesian

zain: maybe. I can translate it. you can speak it if you want

rofia: really?

zain: yah

rofia: thanks but maybe when i'm not aware. When did you start liking murder drones?

zain: four years ago and this month is also like this

rofia: what you mean

zain: zain this month i was watching it

rofia: i see

zain: before 4 years ago and i still love it

rofia: do you happen to watch season 1?

zain: yes and i'm waiting for a season 2. i have an obsession with watching it

rofia: wow you a big fan. if you watching murder drones since 4 years ago. it's been a long time since the next season come out.

zain: yah. you know i like you more than before

rofia: hahaha thank you

zain: >////<

rofia: as a friend right

zain: yah what you think

rofia: sorry, I just learned English recently. When I searched for the meaning of 'like' there were 2 views. I just don't want to misunderstand. you know 😂😂😂😂

zain: yah. it will become clear to you that what mean is love right

rofia: have you ever been in love?

zain: no they say I'm going to love someone but I don't think so

rofia: Ah..... i thought you did, you know i've never fallen in love, just admired. why?

(replu:they say I'm going to love someone but I don't think so)

zain: idk. they think girls will fall in love with me quickly. but i don't care

rofia: they said that?

zain: yah i mean my family. not a stranger

rofia: ahh i think your friends

zain: haha, my friend won't believe me if i tell him i have a girlfriend

rofia: hahahaha. but I guess if your family said it. it might be true. although I don't know the reason. family is the closest person to you, maybe only you can't realize your charm. maybe yah

zain: they are just kidding me, i don't think they are serious

rofia: hahahaha okay

zain: so have you aver been in love

rofia: (reply: haha, my friend won't believe me if i tell him i have a girlfriend) but this is like me. my friend also wouldn't believe me if i had a boyfriend. nope. I've only aver been in awe of men but never in love (jam 21.33)

zain: ok ammm can you be my girlfriend >////< (jam 21.57)

rofia: #Shock/\\//\\//\\(●__●). kenapa tiba-tiba

zain: idk

rofia: i thought you were the type who doesn't fall in love easily 😭😭😭😭😭😭

zain: i loved you since we met in the game. because you were the first person i interacted with

rofia: but we didn't talk much the first time. you don't know my personality

zain: i loved but not the real love

rofia: love but not the real love? okay i'm confused. you say this to someone who has never been in love

zain: me too

rofia: you say this as if you understand what love is (reply: i loved but not the real love)

zain: from romantic series

rofia: Astaghfirullah 😭😭😭😭. ok try to explain what love is that you know from romantic series. i want to know

zain: not what you expect 😊 (reply: Astaghfirullah 😭😭😭😭) you are Muslim right

rofia: true

zain: me too 😊

rofia: really?

zain: yah i'm Palestine

rofia: Alhamdulillah, i think 😊

zain: and Palestine is Muslim

rofia: but what i know is that not all palestinians are muslims. they say there are some who are Christians too

zain: there are two religions in Palestine. Christians and Islam

rofia: nahh..... 😊

zain: but there are more Muslims there

rofia: ah... i see. actually, it's more like i didn't expect you to understand what love is from a romance series. i really didn't expect anything. but i was shocked

zain: i don't understand many romantic series. what is the meaning of love? but for some reason i watch it. the only romantic thing i see and like is murder drones

rofia: 🤔🤔 you're right. Murder Drones contains romantic elements. btw i'm waiting your answer (reply: ok try to explain what love is that you know from romantic series. i want to know)

zain: love is an emotion that a person (reply: ok try to explain what love is that you know from romantic series. i want to know). and maybe it is his identity

rofia: i think so

zain: and sometimes it makes him act atrangely

rofia: that is true! but I have a different understanding (although I have never experienced it but I know from seeing my friends when they experience it)

zain: yah

rofia: on the negative side. love can make you crazy, you won't eat if you don't remember your boyfriend, you have to have a sleep call before going to bed. you will be influenced by the person you like and not realize it

zain: i think so

rofia: but the positive side. the feeling of love can make you more enthusiastic and change you to be better (if with the right person). love also makes someone show their soft side. right!

zain: do you know this is my first time dealing with a girl

rofia: how is your mother? or your sister if you have one

zain: i don't have sister

rofia: hehehe (sengaja sumpah. ada rasa gak enak si. tapi rasa pingin bikin dia ilfeil lebih kuat)

zain: my behavior is different with my mother and with a girl

rofia: are you 18 or 19? i forgot. you said in the game

zain: 18

rofia: iya sih.... (reply: my behavior is different with my mother and with a girl). do you know my age?

zain: maybe 20 or 19?

rofia: 20

zain: ok :)

rofia: i'm old. you know

zain: yes

rofia: so it's better if we get to know each other. because you are the one. just think of me as your older sister, maybe later you will know how to behave with women

zain: sure 😊

rofia: In 2 years you will be an adult. Maybe this will help you later.. Insyaallah. okay agreed, yeah? (reply: sure 😊)

zain: yah. so what do you want to know?

rofia: i'm not sure where to start. continue later okay? i have to go sleep. bye zain (zain give reaction: ❤️)

zain: ok good night (me give reaction: ❤️ _niatnya cuman buat sopan baklas dia aja) bye fia

zain: oh hi sorry i was in school but yah is everything good 👍😊_mengirim foto kelas tapi 1 kali lihat (jam 19.54)
rofia: alhamdulillah. i'm worried something bad will happen. Can i ask a question?
zain: sure
rofia: I want to ask about Palestine, but if later you start to feel uncomfortable. Tell me, I'm afraid my questions make you uncomfortable. Do you live in the middle part of Palestine?
zain: yah why? Hebron
rofia: what are the conditions like there?
zain: not bad
rofia: are the conditions in hebron not like gaza? sorry if this makes you uncomfortable
zain: No no. Don't think about that.
rofia: I want to know the condition of Palestine but I'm confused about what to ask. I'm afraid my question will make your trauma come back or not
zain: our situation is better than Gaza. Don't worry, I'm not shocked by the question
rofia: alhamdulillah (20.54)
zain: what is your question (20.56)
rofia: I'm confused about how to say (20.57)
zain: just say
rofia: How are the conditions of the children there? Has food and water aid not yet entered Palestine?
zain: bad conditions only in Gaza
rofia: It didn't get there in Hebron? alhamdulillah. I'm getting worried
zain: our are is almost protected in Hebron
rofia: i see. Have Israeli soldiers been to Hebron this year?
zain: they exist but not dangerous
rofia: they don't do bad things?
zain: no

zain: good, yes

rofia: if i may, what is the education system like there?

zain: kind of bad. there is no thing that a person wans. only specific things and israel created it (jam 20.27)

rofia: i see. Hey, what's your favorite food?

zain: we call mcloba. it is rice with chicken, eggplant and cauliflower

rofia: sounds delicious. what is traditional palestina food?

zain: that i told you

aku berniat untuk gak chat lagi karena merasa zain cuek dan gak nyaman

1 april jam 03.11

rofia: good

zain: How are things in your country?

rofia: اَلْحَمْدُ لِلّٰهِ good. Event thoutg it's not always good

zain: why

rofia: the level of corruption in Indonesia is quite high. Sometimes it's stressful because the politics here are a mess

zain: same

rofia: the news about corruption is very worrying. 🧑🧑🧑 (reply: same). is it customary to visit relatives there during Eid? (jam 18.55)

zain: yes are yu the same? (jam 20.24)

rofia: yes. it will be like that for 3 days. Usually on the first day gather with extended family. day 2 and 3 visit friend's or acquaintance's house

zain: you too 🥰❤️. the only thing you don't know is why you love this?

rofia: Since when do you like drawing? And where do you know coding from?

zain: from my self (reply: And where do you know coding from?) since i was a kid (reply: since when do you like drawing?) maybe 6 or 7 years old

rofia: hahaha. it's funny that we're all the same about this. i see what programming languages do you know?

rofia: wow that's a lot

zain: wbu?

rofia: of all of them, witch one can you do?

zain: java and unreal Engine. And maybe Unity

rofia: Python, C++, C, C#, Ruby, kotlin, Java, JS (Java skrip), HTML, Dark (This language is used by Sam Google), CSS. But all i can do is Python, HTML and CSS. (reply: wbu). cool you are very passionate about what you love (reply: java and unreal Engine)

rofia: just forget it. sorry i made the atmosphere awkward

zain: no. It's not. But I don't know why you think like that. my life is beautiful, there is no destruction or threat in it

rofia: I see. i think i'm the one who worries too much

rofia: hahaha thanks -zain give reaction ❤️

zain: ❤️❤️

setelah itu aku bilang kalau aku gak biasa dengan omongan manis karena terasa aneh. zain tanya-apakah kamu tidak pandai melakukannya?- dan aku membenarkan hal itu. aku juga bilang kalau aku jarang ngobrol dengan cowok di kehidupan nyata walaupun ngobrol hanya bahas tugas dan zain adalah cowok pertama yang ngomong manis ke aku jadi aku jujur kalau aku agak bingung cara merespon dia dan aku bilang kalau dia itu sangat ekspresif. zain menyangkal hal itu dan bilang kalau dia hanya mengatakan hal yang akan membuatnya malu karena tidak ingin kehilangan 'an opportunity'. pas aku tanya kesempatan apa zain jawab 'life opportunity' dan aku merespon hal itu dengan 'you say it like you're looking for a job 🙄' dan zain bilang gak seperti itu tapi dia gak menjelaskan lebih

pas zain menyangkal dia gak ekspresif dia hanya mengatakan apa yang dia rasakan dan terkadang dia gak tahu apa yang sebenarnya dia katakan-menurutku mungkin ebih ke dia gak sadar sudah mengatakan itu-. dan aku bilang mungkin aku gak seterbuka dia soal pikiranku karena faktor budaya indonesia. dan zain tanya 'nah, apakah kamu

menyembunyikan sesuatu dariku?' dan aku jawab tidak dia bilang 'ok' dan aku bingung sambil bilang 'heeeee' zain hanya respon pake emot '😭😁' trus aku arahkan obrolan ke coding sambil rekomendasikan dia website belajar coding bagus. dia bilang leptopnya gak mendukung soal itu dan akan membeli yang baru dimasa depan. jadi ku bilang 'you right. look for something good but according to your needs' dan zain jawab 'there is nothing good but you 😊❤️' aku jawab dengan berusaha netral dengan bilang 'thanks but you are also a good person 😊😊' dan zainanggapi dengan bilang 'hehe so cute. i love you 😘💕'

rofia: Aren't you afraid that i will like you? i mean.... romantically

zain: no. i will you mean if you do that 💕

rofia: 😭😭 you're serious?

zain: yes. you love me right?

rofia: why do you think so?

zain: bc when i say i love you, you say i love you too. and the emoji

rofia: aku bilang itu karena ketika kamu memanggilku 'GF' berarti aku ini teman cewemu kan. jadi ku pikir saat kamu bilang 'love' itu ke arah sahabat. meskipun semakin kamu melakukan ini kamu semakin membuatku canggung

zain: there is this thing (reply: jadi ku pikir saat kamu bilang 'love' itu ke arah sahabat.)

really 😭 (reply:meskipun semakin kamu melakukan ini kamu semakin membuatku canggung)

rofia: i don't mean bad behavior (reply: really 😭)

zain: do you feel uncomfortable?

rofia: in Indonesia, the meaning of being wrong is something like.....

zain: like what

rofia: you know like smiling to yourself of acting awkwardly. i don't know how to say it in English 😭😭

zain: you mean chage my thoughts and my actions

rofia: yeah... like this. maybe

zain: everyone changes when they feel love. are you acting strangly?

rofia: yes.... I have to go. i'll be back later

zain: how it be. ok i will waiting you

rofia: i'm back (setelah 10 menit pergi)

zain: welcome back

rofia: hmmm ane.... jantungku berdetak kencang... dan aku mencoba untuk tidak tersenyum pada diriku sendiri ketika berbicara denganmu karena itu akan aneh

zain: how you smile to yourself

rofia: seperti tersenyum tanpa alasan atau tersenyum saat membaca chatmu, something like that

zain: ohh

rofia: idk. Anyway, it's strange. why?

zain: because you feel love maybe or maybe because i'm a men what you think

rofia: aku takut jatuh cinta

zain: why

rofia: karena aku janji ke diriku sendiri untuk gak jatuh cinta sebelum lulus kuliah dan saat aku lihat teman-temanku jatuh cinta dan patah hati. it look scary

zain: I've done this before (reply: karena aku janji ke diriku sendiri untuk gak jatuh cinta sebelum lulus kuliah)

rofia: really?

zain: I don't like this. I also don't like breaking hearts
rofia: right. meskipun dalam hidup tidak mungkin tidak merasakan kecewa dan patah hati
zain: and also why would i do this if you are the only one in my life?
rofia: what?
zain: you are my first love
rofia: Are you sure it's really love?
zain: yeah
rofia: why?
zain: idk
rofia: okay. idk what to say
zain: me too. we talk a lot today 😊
rofia: yeah... even talking about unexpected things, okay.
zain: so what now
rofia: aku rasa kita perlu menuntaskan pembicaraan ini. tapi sebelum itu, masih ada waktu sampai sekolah? aku gak mau membuatmu terlambat masuk kelas
zain: yeah. aku punya 1 jam
rofia: apa yang akan kamu lakukan jika aku juga menyukaimu
zain: idk but i will be so happy and maybe do what you want
rofia: okay. i will take a realistic view
zain: ok
rofia: aku dan kamu beda 2 tahun dan aku lebih tua darimu. is that okay with you?
zain: love is not about age
rofia: ok kamu benar tapi usiaku mendekati usia nikah. bahkan jika itu terjadi 5 tahun dari sekarang. yang ingin saya bahas adalah beban pikiranmu nanti karena perbedaan usia
zain: ha?
rofia: maksudku kalau aku menjalin hubungan dengan cowo sekarang aku gak mau hubungan itu hanya buat senang-senang. dan aku takut kamu akan terbebani dengan hal itu
zain: nah don't worry about that. i know it
rofia: heee.....why aren't you worried?
zain: when you have a relationship with someone from your country. it's not your fault
rofia: why is that?
zain: because you don't want love from afar only. ok amm i need to go
rofia: okay have a nice day
zain: see you later
rofia: see you later
zain: before i go. do you love me
rofia: i think i like you >////<
zain: yaaaayyyy i like you and love you so much ❤️❤️❤️❤️
rofia: you make me shy
zain: hehe i will be good for you
rofia: take care of yourself ❤️
zain: you too

trus zain tiba-tiba tanya soal tinggi badan dan aku jawab tinggiku 159. dan dia bilang aku terlalu pendek. my reaktion is ' _-' zain bilang 'haha sorry for that' dan aku tanya berapa tingginya zain bilang 182 my reaction: 😞 reaction balasan zain: 😊 tapi aku emang sependek itu di kalau di bandingkan sama dia. cihh
